Hello Sunshine!

This summer you can save your piggybank savings for ice-cream cones, because Greensboro will offer hundreds of free warm weather activities for all to enjoy! Through the programming of ArtsGreensboro, Greensboro Downtown Parks, the Downtown Greenway and the City of Greensboro Parks & Recreation, your city will become a playground. Mark your calendars for free fitness classes, children's activities, outdoor movie nights, live music, dancing and overall community play.

So, that leaves us with only one question for you! How much free play is needed to burn off those extra ice-cream cone calories?

See you this summer!
