

Dear valued partner,

The Downtown Greenway is more than just another walking and biking path in a city full of trails. It's a place of community fellowship, where neighbors meet. It's a space of wellness, rejuvenation and learning, where you can be immersed in nature and art.

With more than 200 unique programs and signature events every year, the Greensboro Parks and Recreation Department has a lot to offer the 117,000+ annual Downtown Greenway visitors. From fitness classes and kids activities to environmental education and volunteer opportunities, the Downtown Greenway is hopping year-round with free programs.

You, too, can have a place in this special community space. Tax-deductible financial contributions from sponsors like you allow us to provide high quality programs and events to serve our diverse community.

Please join the Greensboro Parks Foundation in our effort to keep these programs free! If you become a 2025 Downtown Greenway sponsor, you will see benefits throughout the year.

In community,

Chelsea Phipps
Greenway & Gardens Program Coordinator
Parks and Recreation Department
City of Greensboro
